What is Mt Vernon? George Washington’s beloved Mount Vernon began as a one and one-half story house built in 1735 by his father, Augustine. George acquired Mount Vernon in 1754 and over the next 45 years slowly enlarged the dwelling to the 21 room residence we will tour.

Old Alexandria? Alexandria is minutes from Mt. Vernon and is on the Potomac River. The nationally designated historic district was founded in 1749. Folks can enjoy museums, historical sites, shops, restaurants.....whatever is of interest to you. Explore on your own.
